

Company Profile

OAKLAND (BD) SOURCING.

-A House of Quality Apparel Sourcing-

Introduction

There are innumerable people who haven't yet visited Bangladesh but felt its warmth by the virtue of world-class apparel made by the country. Garments with "Made in Bangladesh" tag reach people of all ages in more than 150 countries, essentially providing with their second skin, keeping them warm during winter, comfortable in summer and trendy in autumn. Choose Bangladesh and as your sole green and compliant hub for sourcing. Oakland (BD) Sourcing provides low-cost sourcing in apparel, home textiles, fashion accessories decorative accessories, and other goods for companies in the fashion and hospitality industries.

We have strong relationships with manufacturers and quality suppliers around the globe and maintain high production standards through our team of on-site inspection agents and import/export specialists. We try to be ahead of our competition in product and price by a fully-fledged OAKLAND Sourcing Ltd. run by professional merchandisers that are highly skilled in product costing. With our collection proposals, our customers will be enabled to buy more often and quicker. Quicker lead time offers obvious additional benefits to our clients.

Mission

OBS is fully conscious of the customer's requirement. We entrust our best efforts to comply with buyer's "Code of Conduct" and law of the land. We have established office in Hong Kong, Belgium and another separate associate strong sourcing office in Hong Kong that provides us the sourcing arm for the procurement of fabric and trims for our valued customers. Company involved in the business since 2010 for Real Estate, Screen Printing, Trims and Accessories Manufacturing, Packaging and IT. We follow a zero tolerance compliance policy considering customers' requirements, strict AQL, sharp costing at the right first time and strict on the commitment for the every segment of business.

Vision

OBS will strive to be the most sought after sourcing organization by implementing process that are uncompromisingly ethical law abiding, sustainable and transparent. We in OBS are of the firm belief that by ensuring that all our employees, customers, suppliers, other business partners and stakeholders are empowered, respected and value the trust reposed in the organization by them will help us not just to succeed but excel in this endeavor. We, OAKLAND Sourcing Ltd. would like to be your ultimate destination with best service, trust and confidence.

Why OAKLAND (BD) SOURCING.

Our Innovation _____

We, Oakland (BD) Sourcing, are pleased to inform the market that one of our textile mills has developed a solution on cotton & blended fabrics using HeiQ Viroblock NPJ03 that can kill bacteria and destroy harmful viruses (such as influenza and coronavirus) in 120 seconds. Viroblock effectively protect against contamination and transmission of viruses and bacteria that use textiles as a hosting surface. Our Fashion Designer is working with oncoming Spring Summer and Autumn Winter product lines including Face Mask using Viroblock solution.

Viroblock Characteristics :

- Anti-Corona Finish
- Anti-Bacterial Finish
- Water Repellent
- Washable up to 15-20 times
- Protect from Virus or Bacteria
- Protect from Odors, Pollen, smoke etc
